*Please see me to volunteer your time

* We will be having a character parade also, you may dress your child in a character outfit. Please bring a change of clothes for your child for after the parade

November 11th- VCA Closed

November 24th and 25th – VCA Closed

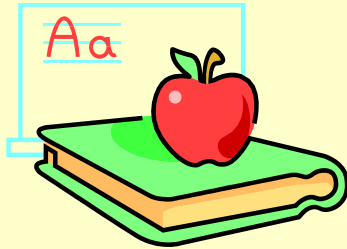

We Need These Items:

- Paper Plates
- Plastic Bags

Parents please make sure you put the hard bottom shoes on your little one. I understand some have just started to walk and if we want them to continue making progress please be sure they have what they need to be successful. Thank you for your understanding!

This Month's Assignments

Please encourage your child to feed themselves! I know it can be messy but the children are so proud of themselves when they start to get food on the spoon and in their mouths! Encourage more table food!

Parent's Corner

Parents, if you have any books or pictures about farm animals please feel free to send them in this month to share with our classroom.

If you have any pictures of your little ones you don't mind me posting up in our class please send them in.

If you haven't sent in your family photo please do so this month.

Welcome Elliot! We are so glad you joined us!

Reminders to Parents

Please label EVERYTHING! It is much easier to make sure your items get back to you when they are labeled!
