

## VPK Reminders

- VPK AM session is from 8 am to 12 noon, Monday through Thursday. Please arrive on time. You may pick up in the car loop starting at 11:50 am.
- VPK PM session is from 12:30 pm to 4:30 pm, Monday through Thursday. Please arrive on time. You may pick up in the car loop starting at 4:20 pm.
- If you are choosing to pick up in the car loop, please stay in your car. Your child will be brought to you. If you need to help your child buckle up, please pull forward or into a parking spot. We thank you for your cooperation in this matter as it is for the safety of everyone!
- Wrap around care is available am and pm and a full day on Friday for an additional cost. Please see a member of administration for more details.
- Enhanced wrap around care is available in the pm for an additional cost. Please see a member of administration for more details.
- Lunch bunch is available for 1 hour at \$8 per day or \$32 per week. Pick up for lunch bunch is by 1pm. Children may have lunch with their friends for an hour. Parents provide a healthy lunch.
- Please provide one health snack and drink each day. If your child remains all day, please provide two snacks and a lunch for them each day.
- If you would like to donate individually wrapped snacks for the teacher to keep on hand for those emergencies when a child is without a snack that would be much appreciated.
- Homework is posted each week on our website:  
[www.vierachildrensacademy.com](http://www.vierachildrensacademy.com) - go to forms and downloads,

then VPK, there you should find each week's homework sheet. Homework should be done each night. Show and tell is theme related and should be ready for presentation each Thursday.

- Books for VPK are optional, however they are strongly recommended. They can be obtained along with a bag at the front desk.
- We are a uniform mandated school. Please be reminded that shoes should be black or navy without any adornment. Socks should be navy blue anklets. (The short, no-see athletic tennis socks are not allowed.) Boys must have their shirts tucked in, all day, including entering and exiting the building.
- Children should be encouraged to WALK into school and enter the classroom independently.
- We practice infection control at the Academy and we are fastidious about handwashing. Please follow the same procedures at home so that it becomes routine for the children.
- Remember to park in a parking spot. Do not park your car under the overhang. The only time cars should be under the overhang is during car loop or inclement weather.
- Fundraising and volunteering are greatly appreciated to keep our excellent program viable. We are always thankful for our Moms and Dads who share their special skills. Please sign up with our Volunteer Coordinator, Ms. Joan Yarrell.
- Speak encouragingly and positively to your children about school. They will respond to your energy and outlook.
- Remember learning is fun at VCA!
- As always thank you for your continued support and cooperation!
